

THE NAZARETH TRUST

HEALING IN THE NAME OF JESUS SINCE 1861

Pray with the Nazareth Trust

We give thanks for...

- A successful week of Health & Healing at the Nazareth Hospital EMMS. A team from the Crowhurst Christian Healing Centre, led by the Rev Steve Gendell, guided patients and staff through a prayer-focused series of events.
- This year's Christmas Celebrations at our Nazareth Village: thousands of visitors from the local area and beyond attended the Christmas programme which is one of the highlights of our annual calendar, featuring choirs, storytelling and re-enacting of the nativity story. Watch a video of what went on at the Nazareth Village Friends Facebook Page here: <https://www.facebook.com/NazarethVillageFriends/videos/1484434618340491/>
- This December we gathered to celebrate the third anniversary of the opening of our Catheterization Lab with its 6-bed recovery room and Intensive Care Unit backup. Since its inception, our expert team of doctors and nurses have saved over 600 lives of patients presenting with life-threatening conditions.

Coming up...

- Nazareth Challenge: From 11th-18th March, we'll be running our two main events: the Jesus Trail, and the Jordan Valley Bike Ride. Our participants will travel throughout the Holy Land to mark months of fundraising for essential, life-saving equipment: namely, a CT scanner for the first dedicated Stroke Department in the Nazareth area.
- In March 2018, we also look forward to the re-opening of our paediatric ward, to bring the facilities up to date with ever-advancing standards of care for children and their families in times of hardship.
- In the new year, we are hosting a study day on 'Forgiveness Therapy'. This will include lectures from our very own Dr Farhat, as well as Dr Robert Enwright, who is founder of the National Forgiveness Institute.
- Nazareth Village is beginning preparations for Easter. Last year, the village debuted a "Passion of Christ", which we look forward to presenting again. Below, we've attached some glimpses into this special time of year at the Village.

Please pray...

- for a good response to our Stroke Department Appeal and generous gifts that will allow us to purchase the much-needed CT-scanner by October.
- for our Finance and Senior Management Teams finalising the 2018 operational budget, for prudent stewardship of the Trust's resources.
- for wisdom and clarity of thought within our Leadership Team as they work out details of the long-term strategic plan for the Trust, including the Masterplan for Redevelopment of our Hospital facilities.
